-----These wrestling camps are for anyone that may be new to the sport or who has previous wrestling experience. Size also makes no difference!
-----This is also a great time to get a jump on the competition before joining the high school wrestling team in 9th grade!
-----Did you know that wrestling and football go hand in hand? There have been many high school athletes who did great in both sports!
-----Almost all of the Lake Highlands HS wrestlers started in this camp. All 5 of our state medalist came through the camp at one time or another! You could be the next State medalist!

Cost is 80.00 dollars - Please make checks out to and mail to:

Pete Grieder ---- 9710 Dartridge Dr. Dallas, Tx. 75238
